

TAFTA SAFEGUARDING POLICY

Purpose

The purpose of this policy is to protect people, particularly children, at-risk adults and beneficiaries of assistance (this includes people TAFTA may engage with for the purpose of consultation or research) from any harm that may be caused due to their coming into contact with TAFTA. This includes harm arising from:

- the conduct of staff or personnel associated with TAFTA
- the design and implementation of TAFTA's programmes and activities.

The policy lays out the commitments made by TAFTA, and informs staff and associated personnel of their responsibilities in relation to safeguarding.

This policy does not cover:

- Sexual harassment in the workplace – this is dealt with under TAFTA's Harassment Policy
- Safeguarding concerns in the wider community not perpetrated by TAFTA or associated personnel.

What is safeguarding?

Safeguarding means taking all reasonable steps to prevent harm, particularly sexual exploitation, abuse and harassment from occurring; to protect people, especially vulnerable adults and children, from that harm; and to respond appropriately when harm does occur. In our sector, we often use this to apply to the safety and welfare of people involved in the delivery or receipt of humanitarian aid and development assistance.

Further definitions relating to safeguarding are provided in the glossary below.

Scope

- All staff contracted by TAFTA
- Associated personnel whilst engaged with work or visits related to TAFTA, including but not limited to the following: consultants; Partners and Employers of graduates of TAFTA; volunteers; contractors; programme visitors including journalists, photographers

Policy Statement

TAFTA believes that everyone we come into contact with either in person or through our digital channels, regardless of age, gender, disability or ethnic origin has the right to be protected from all forms of harm, abuse, neglect and exploitation. TAFTA will not tolerate abuse and exploitation by staff or associated personnel.

TAFTA is committed to addressing safeguarding throughout its work, through the three pillars of prevention, reporting and response.

Prevention

TAFTA RESPONSIBILITIES

TAFTA will:

- Ensure all staff have access to, are familiar with, and know their responsibilities within this policy
- Design and undertake all its programmes and activities in a way that protects people from any risk of harm that may arise from their coming into contact with TAFTA either in person or through our digital channels. This includes the way in which information about individuals in our programmes is gathered and communicated
- Ensure all staff understand and sign up to TAFTA's Safeguarding Code of Conduct
- Ensure staff receive training on safeguarding at a level commensurate with their role in the organization
- Follow up on reports of safeguarding concerns promptly and according to due process

STAFF RESPONSIBILITIES

Child safeguarding

TAFTA staff and associated personnel must not:

- Engage in sexual activity with anyone under the age of 18
- Sexually abuse or exploit children
- Subject a child to physical, emotional or psychological abuse, or neglect – either in person or on line
- Engage in any commercially exploitative activities with children including child labour or trafficking

Adult safeguarding

TAFTA staff and associated personnel must not:

- Sexually abuse or exploit at-risk adults
- Subject an at-risk adult to physical, emotional or psychological abuse, or neglect – either in person or on-line

Protection from sexual exploitation and abuse

TAFTA staff and associated personnel must not:

- Exchange money, employment, goods or services for sexual activity. This includes any exchange of assistance that is due to beneficiaries of assistance – either in person or on-line
- Engage in any sexual relationships with beneficiaries of assistance or students, since they are based on inherently unequal power dynamics

Additionally, TAFTA staff and associated personnel are obliged to:

- Contribute to creating and maintaining an environment that prevents safeguarding violations and promotes the implementation of the Safeguarding Policy, both on TAFTA's online platforms/channels and in person
- Report any concerns or suspicions regarding safeguarding violations by a TAFTA staff member or associated personnel to the appropriate staff member

Enabling reports

TAFTA will ensure that safe, appropriate, accessible means of reporting safeguarding concerns are made available to staff and the communities we work with.

Any staff reporting concerns or complaints will be protected from harassment.

TAFTA will also accept complaints from external sources such as our digital users, partners and official bodies.

How to report a safeguarding concern

Staff members who have a complaint or concern relating to safeguarding should report it immediately to their line manager. If the staff member does not feel comfortable reporting to their line manager (for example if they feel that the report will not be taken seriously, or if that person is implicated in the concern) they may report to any other appropriate staff member.

Digital users, partners, official bodies and other external individuals can report a concern by emailing joseph@terraacademyforarts.com; ibukun.o@terraacademyforarts.com

Response

TAFTA will follow up safeguarding reports and concerns according to policy and procedure (see Procedures for reporting and response to safeguarding concerns in Associated Policies).

TAFTA will apply appropriate disciplinary measures to staff found in breach of policy.

TAFTA will offer support to survivors of harm caused by staff or associated personnel

Confidentiality

It is essential that confidentiality is maintained at all stages of the process when dealing with safeguarding concerns. Information relating to the concern and subsequent case management should be shared on a need to know basis only, and should be kept secure at all times.
